

Kenmore Chorus

Teacher: Raifel Faison

Email: raifel.faison@apsva.us

Biography of Teacher:

Has been teaching vocal music at Kenmore since 2003.
Received Bachelor's of Music Education Degree from
Howard University.
Received Master's Degree from Trinity University.

Course Descriptions:

ShowTime meets everyday for the entire school year. It is designed specifically for 6th grade students who already know that their elective interest is in the arts. With a year-long combination experience in Chorus and Drama, this course gives students a professional production of an arts integrated experience. Each semester ShowTime students will have their work showcased in at least one production or concert. In addition, students will perform in a major production combining both chorus and drama.

7th/8th grade Beginning and Advanced chorus

This course is designed as a continuation of the development of the vocal musician. Concepts introduced in the previous grades will be reinforced. In addition to learning more about the world of music and their vocal instrument, students will get the opportunity participate in out of school and in school performances, and participate in District XII Choral Events. Each spring, the entire music department participates in an adjudicated festival in Williamsburg, VA or Hershey, PA. After students have been adjudicated, they then spend a few hours in the local amusement park relaxing and having fun.
