

# 50<sup>th</sup> NATIONAL PTA<sup>®</sup> REFLECTIONS<sup>®</sup>

**DANCE CHOREOGRAPHY** is the act of creating movement. The entrant must be the choreographer and may also be the performer, or one of the performers. Solo and ensemble works of all dance styles are accepted.

## 2018-2019 Theme: Heroes Around Me

Consider the following styles and ensembles to portray your original choreography: Ballet, contemporary, ethnic and folk, freestyle, hip hop, jazz, street dance, and tap.

**Originality:** Only new and original choreography inspired by the theme may be submitted. While solo and ensemble works are accepted, each entry must be the work of one student only.

Consider use of background song(s), props and the location to show a clear relation of the dance choreography to the theme. An explanation of the origin of the dance and/or the significance of the choreography might be a useful addition to the artist statement when submitting a dance choreography entry that involves traditional, cultural or regional dances. However, only the artist statement from the official entry form will be used for the National level of the competition. Whether an entry displays formal dance technique or a simple approach, it will be judged primarily on how well the student uses his or her artistic vision to portray the theme, originality and creativity.

**Copyright:** Use of copyrighted material is prohibited. Plagiarized entries will be disqualified. Use of background music must be cited on the student entry form.

**Presentation:** Video must not exceed 5 minutes in length and 1GB (one gigabyte) in file size. Accepted video file formats include: AVI, FLV, WMV, MOV, MP4.

**Ideas for Audio/Visual Quality:** Use a tripod to hold the camera still. Make sure there is plenty of lighting, especially if shooting indoors. Turn off all noise-making devices in the room (air conditioners, fans, telephones, etc.). Record a short test and watch it. If needed, change the record volume or microphone location. Make sure the background music (if any) is audible on the recording. Allow for two seconds of silence at the beginning and end of your recording.
